***PLEASE SPECIFY YOUR ERASMUS STUDENT'S STATUS, home University, degree course and period of stay (from/to), at least 3 months before the arrival.***

***After this deadline the accommodation is not guaranteed.***

**IVARESE02 do not provide other accommodation; you might need to look for an accommodation on your own. The easiest way to find a room in a private shared flat is to look at the notice boards of each Department, where you will find lots of advertisements of other students who are looking for flat-mates, as well as flats to rent.**
