

**2025**  
ACADEMIC YEAR

# Information for non-EU students

## Master programme in Biotechnology for the Bio-based and Health Industry (BBHI)

**Important: pre-application windows: from December 1<sup>st</sup> 2024 to May 31<sup>st</sup> 2025**

### ENROLLMENT STEPS

#### 1-PRE-APPLICATION

Fill an online form ([bit.ly/40DPWTO](https://bit.ly/40DPWTO)) on the BBHI web site ([bit.ly/4eqXJag](https://bit.ly/4eqXJag)).

#### 2-INTERVIEW

Potentially suitable candidates based on the submitted documents will be asked to take an interview by MS-Teams aimed at verifying their preparation. Subject can be found on the programme web site ([bit.ly/4jq7UzK](https://bit.ly/4jq7UzK))

#### 3-ENROLLMENT

Only eligible candidates shall start the pre-enrolment procedure through the University website within the deadline annually published at:

<https://www.uninsubria.eu/programs/degree-programs/enrollment-procedures/pre-enrolment>

Admitted students ARE NOT guaranteed any economical support. Scholarships are available for deserving students through competitive calls that are normally open in the spring period. Accommodation facilities are available in limited number based on the merit.

**IT IS RESPONSABILITY OF THE APPLICANT TO KEEP HER/HIMSELF INFORMED ABOUT THE DEADLINES OF THE ABOVE-MENTIONED CALLS.**
