Those who exceed, with the post-doc position referred to this announcement, the maximum overall duration of 3 years, pursuant to art. 22-bis of Law no. 240/2010, even if the contracts have been stipulated by different institutions. 7. Those who have previously benefited from research contracts (Article 22 of Law 240/2010), post-doc positions (Article 22-bis of Law 240/2010), or research assignments (Article 22-ter of Law 240/2010), even if awarded or stipulated by different institutions, for a period that, added to the expected duration of the advertised assignment, exceeds a total of 11 years, even if not continuous.

	This Administration guarantees fairness and equal opportunity to men and women in access to employment and employment conditions.
Application for the selection procedure	To participate in the selection, candidates must submit their application only using the procedure available on the web at: https://pica.cineca.it/uninsubria/ otherwise they will be excluded from the selection. The application may be filled via web using any computer with Internet connection within the deadline. You need to complete the application by completing all required fields and attaching all required files. **The application form must be signed, under penalty of exclusion.** Candidates are responsible for ensuring that their application contains the following information: 1. their name and surname, date and place of birth; 2. their citizenship; 3. that they have not been convicted of a crime nor are they aware of being subject to criminal proceedings or of any pending criminal proceedings against them; 4. that they enjoy full political rights, giving the name of the municipality whose electoral roll they are registered on to vote, or the reasons for which they are not registered or for which they have been removed from the roll; candidates who are citizens of foreign countries must declare that they enjoy full political and civil rights in their home country or declare the reason why they do not enjoy these rights; 5. that they have not been dismissed from office with a Public Administration for consistently poor performance nor from a civil service job in accordance with Art. 127, section (d) of Pres. Decree no. 3/1957; 6. domicile (address, phone number email or pec address) that they choose for the purposes of the application; 7. that they are not related by blood up to the "fourth degree of kinship" (as understood in Italian, e.g. up to cousins and cousins of the candidate's spouse) to the Rector, the university's Managing Director, a member of the university's Board of Governors or a Professor working at the Department that proposed the activation of the contract; 8. that they are in possession of the requirements admission indicated in the selection call; 9. that they are not employed on a permanent basis at a university, public research institution or an institution whose scientific specialization diploma has been recognized as equivalent to a PhD, in accordance with art.74 of Italian Presidential Decree no. 382/1980; 10. that they don't have used fixed-term researcher contracts pursuant to Article 24 of Italian Law 240/2010; 11. that they don't exceed, with the post-doc position referred to this announcement, the maximum overall duration of 3 years, pursuant

	to art. 22-bis of Law no. 240/2010, even if the contracts have been stipulated by different institutions. 12. that they don't have previously benefited from research contracts (Article 22 of Law 240/2010), post-doc positions (Article 22-bis of Law 240/2010), or research assignments (Article 22-ter of Law 240/2010), even if awarded or stipulated by different institutions, for a period that, added to the expected duration of the advertised assignment, exceeds a total of 11 years, even if not continuous. 13. to be aware that all communications to candidates will take place by publication on the institutional website of the University and that such publication has the value of notification to all intents and purposes. Candidates with disabilities, pursuant to Law no. 104/1992, pursuant to Legislative Decree no. 80/2021 converted into Law no. 113/2021, and for specific learning disorders, pursuant to Legislative Decree no. 80/2021 converted into Law no. 113/2021, may state in their application the support service needed, in relation to their handicap, as well as the possible need for additional time for the completion of tests. Candidates should attach: 1. copy of a valid identity document (either Identity Card or Passport); 2. copy of Italian fiscal code (if available); 3. curriculum vitae, in Italian or English, signed and dated, which clearly shows the scientific-professional activity suitable for carrying out the activity which is the object of the contract; 4. declaration, "annex A", duly dated and signed, which certifies that every information in the CV is true; 5. any other qualifications that are deemed useful for the evaluation purposes; 6. publications in pdf format relevant for the selection procedure within the maximum limit provided for the position; 7. just in case of PhD awarded abroad, declaration of the "equivalence" with the Italian PhD; if not attach: a copy of the qualification accompanied by a translation into Italian or English, and the *diploma supplement* or the description of local value drawn up by the competent diplomatic or consular representation or the transcripts of the exams taken; For the PhD title obtained abroad, the judging committee will assess the equivalence of the degree acquired or in the process of being acquired, for the purposes of the procedure.
Scientific Publications	Candidates must upload their publications in .pdf of the capacity of 30 MB each one. If your publication exceeds 30 MB, you can split it (e.g. publication n. 1 – title – *part n. 1* + publication n. 1 – title – *part n. 2* etc.). Published works not uploaded within the closing date shall not be taken into consideration by the Examining Board. If a candidate presents more publications than required, the Examining Board will evaluate the publications them according to the order of insertion, up to the limit provided. For the purposes of this selection

	procedure only published works or texts accepted for publication as provided under current standards shall be accepted for evaluation, along with essays in anthologies and journal articles published in hard copy or digital format excluding internal notes or departmental reports. Publications must take into account the current legislation regarding editorial activity and copyright. The doctoral thesis or equivalent qualifications are taken into consideration even in the absence of such conditions. If the candidate intends to present it, he/she must count it in the maximum limit of publications, where provided for in Annex 1a for the procedure in which he/she intends to participate. Publications must be edited in Italian, French, English, German and Spanish. In case of procedures in linguistic subjects, it is also admitted the relative language mentioned in the announcement. The University can carry out controls and ask for the original papers and publications. **It is the candidate's responsibility to ensure, before completing the application, that all qualifications and publications have been uploaded by checking the "Attachments" section of the PICA online procedure.**
Exclusion from the competition	Candidates are conditionally admitted to the selection procedure. The exclusion, due to lack of the requirements on the expiry date, can be ordered at any time. The exclusion is ordered by motivated Rector's decree and is notified to the person concerned.
Examining Commission	The Commission is identified in accordance with the provisions of the University Regulation governing the public selection procedures for post-doc position and is appointed by a Rector's Decree, published online on the University website. The Commission is composed of three members active in the research area which include the Academic Recruitment Field in this selection procedure. Gender representation should be normally guaranteed in the establishment of the commission, in accordance with the Recommendation of the Commission of the European Communities n. 251/2005 (on the European Charter for Researchers and on a Code of Conduct for the Recruitment of Researchers). For further details please see the original Italian version of the announcement.
